“Voluntarily Teaching Services”

Every year Govt. M.M.R.P.G.College, Champa adopts new ideas which come in the series of best practices. These practices are going on in the college since last few years, but it could not be added in the list of best practices in the previous year's AQAR. One of such best practices is voluntary services of ex-students and P.G.students in the teaching learning of respective departments.

Description: As the Government colleges of Chhattisgarh are facing problem of less numbers of teaching faculties, many posts of the colleges are vacant and even the posts which are sanctioned are not sufficient in numbers. One such department in the college is department of commerce. Department of Commerce has two sanctioned posts for running U.G and P.G classes at present. Looking to the need of faculties, ex-students and senior students of P.G classes have extended their voluntary services in teaching –learning of their respective courses. Shri Nitesh Agrawal, ex-student of M.Com is taking classes of various subjects. In this way, students are contributing their bit for the progress of their institution.

"Prevention of cruelty against straying animals"

N.S.S. unit of the college has set a motto in this session to spread a message among students regarding humanity towards strayed animals in the town. IQAC of the college has already an MOU with "Prayas Gau Seva Sansthan, Champa", an association to serve Cows. Under this practice, students of the college, along with member of this association reach to the ailing or injured cattle to provide them necessary medical and other helps. The aim of this practice is to help these animals to recover from their pathetic condition. NAAC/IQAC Coordinator and N.S.S. Coordinator personally monitor these activities.

"Contribution for National Foundation for Communal Harmony"

National foundation for Communal Harmany (NFCH) was setup as an autonomous organization under the society's registration Act 1860 and registered on 19 February 1992 with the main objective of providing assistance to the physical and psychological rehabilitation of the child victims of communal, caste, ethnic or terrorist violence with special reference to their health care and education.

College receives a circular from NFCH every year. As soon as this circular is received college issue/notifies this for the students and staff. In this way every year a good amount is sent to NFCH as a bit of contribution from our side.

"Self generated scholarship for the students"

A fixed deposit was made by Shri Akhilesh Pandey an ex-student of the college for Annual Scholarship to M.S.W./M.A. (Sociology) topper. Shri Pandey is one of the pass out students of this college. He has deposited Rs. 10000.00 for this cause. A scholarship of Rs. 1000.00 is given from the interest incurred out of this deposit every year.
